- [Washington DC and New York City 2023](#)
- Contact Stephen Schmitz for more information.
- stephen.schmitz@dcsdk12.org

★ TECHNOLOGY REMINDER

- We are reminding all our students of the following tech rules:
 - Phones are to be turned off between 7:30-2:45 pm
 - Phones are to be kept in backpacks (not in pockets or jackets)
 - If a student is caught with their phone, the policy is:
 - 1st infraction: phone taken for the class period

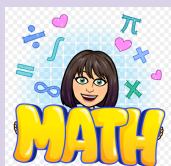

- 2nd infraction: phone taken for the day and parents will receive an email from the team
 - 3rd infraction: phone taken to office and student has a conversation with administration.
 - 4th infraction: phone taken to the office and a parent needs to pick up the device.
- If you need to contact your student during the school day, please call the front office. They will deliver the message.
- If you are texting your student, it is disrupting our phone policy and can create uncertainty when students are communicating information that is unknown to the teacher/school.

Two Week Overview of Assessments: <i>**Subject To Change- Check Google Classroom**</i>					
	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
This Week: 5/16-5/20		Social Studies: Resource and Trade Quiz	Math 7 Final - Review packet due & Final Exam Starts LA= Poet Study Presentations	Accelerated Math 7 Final - Review packet due & Exam starts LA= Poet Study Presentations	All Classes Complete Math Finals Science Quiz- Magnetism/Gravity All missing assignments due @ 3pm!!!!
Next Week: 5/23-5/25			Last day of school!!!		

Language Arts: Megan Carlile 
macarlile@dcsdk12.org

★ 5/16-5/20:

- This week, students will:
 - Begin the 2022 POET DRAFT (students picked a famous poet and will be completing a research project. They will present their research THIS WEEK on block days.)
 - Side note- this is Mrs. Carlile's FAVORITE activity to end the year. I will be sending out specific instructions on the assignment, but students will be dressing up as their poet and it will, essentially, be a living history museum project. I love it!!!

May 16 - 20

Final Exam (May 18 - 20) - To prepare for the final exam, all math classes will spend part of team time each week reviewing concepts from the school year. Each student was given a review packet. This review packet is due either Wednesday or Thursday depending on when your student has math class.

Monday & Tuesday this week all math classes will be spent reviewing for the final. The final will be given on Wednesday/Thursday and then students will have Friday as needed to complete the exam.

****Note:** I realize that Rock Canyon's graduation is Thursday. If your student will not be here Thursday to start the final, they will be able to start the final on Friday and then finish the final in the following week.

~Science  *~ with Ms. Swiryn*
gswiryn@dcsdk12.org

Big Idea: What underlying forces explain the variety of interactions observed in the world (Universe)?

Students conducted a few labs last week looking at the effects of magnetic fields on objects (iron filings and paper clips). We are able to map the force fields even though we can't see the force itself.

This week we will have a QUIZ FRIDAY MAY 20th on "Forces acting at a distance" (Gravity and Magnetism). We will review in class and conduct one final lab.

Please check missing work. Many students are missing the balloon car reflection questions. These are worth 3x for content knowledge.

Social Studies

This week we will be covering colonies, resources and the Scramble for Africa. Students have been learning about The Industrial Revolution and how it led to European Imperialism. As we move forward students will begin weighing the positives and negatives of Industrialization for humanity. On Tuesday, students will have a quiz that we have practiced in class three times before taking it.

Any students missing class should check in with me during Access or Team Time to make any work.

7TH GRADE WELLNESS (PE/HEALTH) - Ms. Temple

Email: kmtemple@dcsdk12.org

Please click on the link below to see the daily assignments if you have Ms. Temple as your wellness teacher. (PE/HEALTH)

All assignments will be updated weekly. If you have any questions about your assignment, please email me.
