R: Respect

O: Ownership

K: Kindness

Team Announcements

★ iReady Diagnostics Scale Scores

- This week, students will take their iReady Reading Spring Diagnostic. Mrs. Carlile will input each student's scale score into Infinite Campus. If you are interested in knowing your student's percentile and how that relates to the scale score, please use this [document](#).
- If you would like more details on your student's performance, email Mrs. Carlile.

★ Washington DC/ New York City 8th Grade Trip 2023

- **Washington DC and New York City!**- Early Registration has been extended. Sign up before all spots are gone!
- **Informational Parent Night Meeting: Monday May, 16th 5pm at Rocky Heights.**
- Dates: May 29, 2023-June 2, 2023
- Please see the attached flier for more details and registration information.
- [Washington DC and New York City 2023](#)
- Contact Stephen Schmitz for more information.
- stephen.schmitz@dcsdk12.org

★ TECHNOLOGY REMINDER

- We are reminding all our students of the following tech rules:
 - Phones are to be turned off between 7:30-2:45 pm
 - Phones are to be kept in backpacks (not in pockets or jackets)
 - If a student is caught with their phone, the policy is:
 - 1st infraction: phone taken for the class period
 - 2nd infraction: phone taken for the day and parents will receive an email from the team
 - 3rd infraction: phone taken to office and student has a conversation with administration.
 - 4th infraction: phone taken to the office and a parent needs to pick up the device.
 - If you need to contact your student during the school day, please call the front office. They will deliver the message.
 - If you are texting your student, it is disrupting our phone policy and can create uncertainty when students are communicating information that is unknown to the teacher/school.

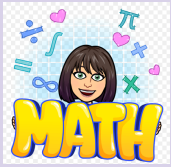

Two Week Overview of Assessments: <i>**Subject To Change- Check Google Classroom**</i>					
	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
This Week: 5/9-5/13			LA=Greek #10 quiz (LAST ONE!!)		
Next Week: 5/16-5/20			Math 7 Final - Review packet due LA= Poet Study Presentations	Accelerated Math 7 Final - Review packet due LA= Poet Study Presentations	All Classes Complete Math Finals All missing assignments due @ 3pm!!!!

Language Arts: Megan Carlile 
macarlile@dcsdk12.org

★ 5/9-5/13:

- This week, students will:
 - Work on poetry analysis
 - Begin the 2022 POET DRAFT (students will be picking a famous poet and completing a research project. They will present their research NEXT WEEK on block days.)
 - Side note- this is Mrs. Carlile's FAVORITE activity to end the year. I will be sending out specific instructions on the assignment, but students will be dressing up as their poet

and it will, essentially, be a living history museum project. I love it!!!

May 9 - 13

Final Exam (May 18 - 20) - To prepare for the final exam, all math classes will spend part of team time each week reviewing concepts from the school year. Each student was given a review packet.

This week we will focus on Percents & Solving Equations (due Friday)

- Math 7 review problems # 18-22, 31-46
- Accelerated Math 7 review problems #18-28, 38-40

Math 7:

This week we will be solving inequalities as well as reviewing how to solve multi-step equations.

Accelerated Math 7:

This week we will be studying statistics. This will include, mean, median, mode, range, box plots and samples vs populations.

-Science - with Ms. Swiryn

gswiryn@dcsdk12.org

Big Idea: What underlying forces explain the variety of interactions observed in the world (Universe)?

MOST of their content grade for their Balloon Car race will come from their **WRITTEN REFLECTION (not the car's performance). This is due Tuesday. It's one sheet of paper that they will turn into the mailbox.

BLOCK DAY- Online Quiz covering all of Newton's Laws

We will finish out the year looking at forces that act at a distance. Gravity as well as Electric and Magnetic forces. We will explore force fields and how the strength of the force changes.

Social Studies

We are beginning to learn about the positives and the negatives of the Industrial Revolution in Europe. Students will learn how the industrial revolution gave many countries great abundance and prosperity. They will learn about the downsides of getting to an industrialized society such as overcrowding, disease, and pollution as well. We will also explore how industrialization drove Europeans to conquer large parts of the globe to gain raw materials for their factories.

Thank you for all your support at home. If you would like to contribute to the classroom I would greatly appreciate it. A few supplies we run through quickly are:

- Colored Pencils
- Crayons
- Scissors

7TH GRADE WELLNESS (PE/HEALTH) - Ms. Temple

Email: kmtemple@dcsdk12.org

Please click on the link below to see the daily assignments if you have Ms. Temple as your wellness teacher. (PE/HEALTH)

All assignments will be updated weekly. If you have any questions about your assignment, please email me.
